

PLAT
-OF-
BARNARDS ADDITIONS

TO
BELLAIRE

OHIO
1884

SCALE 100 FEET TO ONE INCH.

*Plan
Record #3*

Due to the fact that Barnard's Additions is a large city block and the streets are laid out in a grid system, the plat shows the streets and blocks in a regular pattern. The streets are labeled as follows: Trumbull St, Franklin St, Harrison St, Noble St, Barnard St, and Guernsey St. The blocks are numbered 1 through 15. The large area is labeled 'W.G. BARNARD'. At the bottom, there are sections for 'UNION WINDOW GLASS' and 'CRYSTAL WINDOW GLASS' with 'Right of way of the Union and Crystal Glass Co.' and 'C. & O. R. R.' lines.
