The Board of Commissioners of the County of Belmont, and State of Ohio, proceeded on this 16th day of January, A. D. 1912 to further consider and hear the matter of the petition of J. E. Furbush and others to obtain the organization of the territory in their petition described, (and which petition is upon leave given duty amended) into a village, in accordance with law, and having in open meeting heard all persons desiring to be heard for and against the granting of said petition, and having considered certain remonstrances against incorporation, and certain petitions for incorporation, and being fully advised, find that said petition contains all the matter required by law; that its statements are true; that the name of said proposed village which is given in the petition, is appropriate; that the limits of the proposed corporation are accurately described and are not unreasonably large or small; that the map of the same filed with the petition, is accurate; that a sufficient number as required by law of the persons whose names are subscribed to the petition, are electors residing within the territory described in said petition; that the required legal notice of the petition has been given, and that the population of said proposed corporation is nearly eight hundred persons, which is a sufficient number. And it further appearing to the Board that it is right and proper that said petition as amended, should be granted, it is therefore ordered that the prayer of said amended petition be granted, and that the territory described in said amended petition may be organized into a village to be known as the Village of Shadyside, Ohio, as prayed for in said petition, and that a certified transcript signed by a majority of the Board of all orders and proceedings of this Board relative to said petition and hearing thereon, together with said petition, and said petition as amended, and maps attached thereto, and all papers on file relating to said matter be transmitted at once to the Recorder of the County.
